

CareOregon and CareOregon Advantage

No Authorization Required – CPT Code List

Revised May 1, 2026

Please note:

- CPT code changes occur annually and occasionally throughout each year.
- It is important that provider offices determine authorization requirements based on current and valid codes **in effect at the time the service is being requested and provided.**
- See Authorization Overview document for details regarding Care Oregon's relationship to some of Oregon's Coordinated Care Organizations.
- Provider contracts may have different requirements than below. Please refer to your contract in addition to the details below for accurate requirements.
- For additional Authorization information regarding Health Share of Oregon, Jackson Care Connect, or Columbia Pacific CCO refer to [careoregon-utilization-managment-procedure-handbook.pdf](https://www.careoregon.com/utilization-management-procedure-handbook.pdf).

Instructions

1. Use this code list in conjunction with MMIS Provider Portal and the Authorization Guidelines based on the member's primary coverage; CareOregon Advantage (COA) or CareOregon OHP. **CMS and OHA billing rules for excluded codes will apply post service.**
2. This list only applies when the services are performed in following settings:
a) office, **b)** ancillary, **c)** ASC for ASC approved procedures, and **d)** facility day patient/surgery.

OHP members - additional instructions (Line Pairing does not apply to COA)

- Procedures with a "Yes" in the "MUST Pair Above the Line" column require the diagnosis and procedure code to pair above the line on OHA's prioritized list to be billed to a CareOregon Medicaid plan without an authorization.
- OHP's Prioritized List is maintained by OHA and applies to marked procedures being billed to a CareOregon Medicaid plan - Health Share of Oregon, Jackson Care Connect and Columbia Pacific CCO.
- As stated in the CareOregon Utilization Management Procedure Handbook, the following specialties must be contracted for OHP Payment:
 - » Physical/Occupational Therapy
 - » Acupuncture or Chiropractic
 - » Speech & Hearing Therapy
 - » Vision Services
 - » Ophthalmology/Optometry
